(15)	Bill of Mr. C. Nanjappa, Cloth Merchant, Hassan, for Rs. 344-8-0, for supplying 54 American Folding chairs ...	...		

Resolution of the Standing Committee (for 15).

"This is sanctioned."

Resolution.—(1 to 15). These estimates are sanctioned.

(*c*) Estimates received from the Executive Engineer, Hassan Division, for counter-signature.

(1) Metalling the worst gravel furlongs on Anemahal-Mudgere road.

Resolution of the Standing Committee :—All the estimates may be sanctioned except the one relating to Anemahal-Mudgere Road which seems unnecessary, as it is understood that the bulk of the road is given over to two persons on lump-sum contract, and if one of them is able to maintain it in good condition, it is difficult to understand why the other should not though the same mileage rate is given to both and the country is about the same in both sections.

Resolution.—The resolution of the Standing Committee is approved.

2. Deputy Commissioner's letter No. A. 4-960-26, dated 14th October 1927, requesting to place before the Board and to forward the resolution *re*: the revised programme of bridges to be undertaken during the next ten years.

Resolution of the Standing Committee:—

"The following bridge works are important and may be taken up:—

(1) Over the Cauvery near Ramanathapur.
(2) Oochangihalla and Palhallihalla in Vanagur-Mallipatna Road.
(3) Hoskotehalla.
(4) Yegachi near Settihalli.
(5) Eswarahallihalla. Here a bridge or culvert with a sufficient number of vents may be constructed instead of a Causeway.
(6) Ganni Bridge. Hemavati.

As regards the Cauvery, Oochangihalla, Palahallihalla Yrgachi and Ganni, the District Board may agree to bear half the cost taking to their cridit private contributions if any that may be available.

(7) Bridge across the Hemavati near Kerodi in Banawase-Yeslurpet Road. This is in a Malnad tract and an urgent work to be taken up. This may be constructed as Mysore I. W.

Resolution—The resolution of the Standing Committee is approved but as regards Eswarahalli halla bridge the estimate forthe bridge for Rs. 6,500 sent by the Public Works Department is sanctioned and work may be put in hand at once in lieu of the causeway already sanctioned.

The Board further propose unanimously that Government may be requested to kindly take up the construction of the bridge over Hemavati near Mandagere and that this District Board may give Rs. 50,000 on account of that bridge in view of its importance in preference to the construction of the same at Akkihebbal.

3. (*a*) Deputy Commissioner's memo No. 1784-26, dated 18th October 1927, requesting to forward the resolution of the Board *re*: payment of half the contribution towards the acquisition of lands for the Hole-Narsipur Maternity.

(*b*) Deputy Commissioner's memo No. 1784-26, dated 29th October 1927, requesting to furnish the opinion of the District Board agreeing to pay half the cost of (1) the construction of the (i) compound wall and the (ii) new Local Fund Dispensary building, (2) acquisition of lands required for (i) the new Local Fund Dispensary building and (ii) the lands and buildings required for the compound and (3) for the equipment of the Maternity, since Hole-Narsipur Municipality pleads inability to bear one-third cost.

(*c*) Deputy Commissioner's memo No. 1784-26, dated 17th December 1927, forwarding copy of letter dated 17th December 1927, addressed to Government, in the matter of waiving the quota of contribution payable by the Hole-Narsipur Municipality, for the construction of the new Local Fund Dispensary building at the place.

Resolution of the Standing Committee.—"The District Board may agree to bear half the cost of the construction of the compound wall, the acquisition of the lands repuired for the extension of the compound of the Maternity and the deviation of the road, the cost of the said deviation, the acquision of lands and the construction of the new Local Fund Dispensary buildings and the lay out of the garden in front of the Maternity, the other half being borne by the Government, as the Hole-Narsipur Municipal Council plead inability to pay their quota of cost.

As regards the equipment of the Maternity in view of the heavy charges to be borne by the Board, and the unwillingness of the Hole-Narsipur Municipality to pay any contribution towards the improvements not undertaken, the Municipal Council may be requested to pay the equipment charges according to their original promise and the remainder distributed equally between the Government and District Board."

Resolution.—Resolution of the Standing Committee is approved.

4. Report on the working of the Hassan District Board for 1926-27.

Resolution.—The draft report submitted to Government is approved.

5 Question of constructing a combined building for the Urdu Primary and Middle School and the Kannada Primary School at Arehalli.

Resolution of the Economic Committee.—"A contribution not exceeding Rs. 2,000 may be granted by the Board".

Resolution.—It is not clear from the correspondence whether any plan for a combined building has been prepared and six rooms as proposed seem inadequate for the purpose.

As regards the Board's contribution a lumpsum of Rs. 2,000 may be sanctioned, as resolved by the Economic Committee out of cess funds.

6. Question of payment of the contribution sanctioned by the Board during 1925-26 for the Lambani Conference.

Resolution.—The amount of Rs. 50 originally promised may be paid.

7. (1) Proceedings of the Grama Village Panchayet requesting that (*a*) the local cess due to the Panchayet from the date of its formation may be given to them, (*b*) that the shandy collections may be transferred to the Panchayet and (2) further letter from the Chairman in this respect.

Resolution of the Standing Committee.—"The standing committee regret that the request of the Village Panchayet cannot be complied with. They are now getting the income from the cattle pound. It is under contemplation to improve the shandy grounds and give facilities. The Vydyasala costs at least Rs. 46 a month and this is going to be converted into a Local Fund Dispensary. A Technical branch of Education is also opened in the local Middle School in Sericulture with a trained teacher at the expense of the Board."

Resolution.—The resolution of the Standing Committee is approved. It may be noted that even a trained midwife has been provided for this Vydyasala.

8. Hassan Range Sanitary Inspector's report No. 555, dated 22nd September 1927, forwarding an estimate for Rs. 200 for erecting a pendal for the vineyard for grape vines in the Silver Jubilee orchard at Hassan.

Resolution of the Standing Committee.—"The estimate may be sanctioned."

Resolution.—Resolution of the standing committee is approved.

At this stage of the Third meeting of the District Board of Hassan on 3rd January 1928, while the proceedings were in progress information was received that the title of Rao Bahadur had been conferred on Mr. N. S. Nanjundiah and immediately Mr. S. Venkatesaiya in accordance with the unanimous desire of the house moved that Mr. K. Mahadevappa Vice-President do take the chair which the President vacated.

Mr. S. Venkatesaiaya then moved the following resolution :—

2. That the District Board of Hassan congratulate their President Mr. N. S. Nanjundiah on the honour of Rao Bahadur conferred upon him by the Imperial Government and place on record their highest gratification on the conferment of this honour on their President.

3. It was seconded by Mr. Nanjundappasetti and all present. The resolution was carried unanimously. Mr. Nanjundiah expressed his gratitude for their congratulations and said he had been helped in his work by the members and the valued honour conferred upon was an honour to them all.

4. Thereafter Mr. Bellur Nanjegowda moved that in the enthusiasm of the movement it was not possible to return to work and that in honour of the occasion the meeting may be adjourned.

Carried unanimously.

The next meeting will be on 21st January 1928. 12 Noon.

N. S. NANJUNDIAH,
President.

SHIMOGA DISTRICT.

Noification No. A. 5. C. 1522—26-27, dated 16th January 1928.

Under Section 5 of the Village Panchayet Regulation, the constitution of the following Village Panchayets for Inam Villages in Shimoga Taluk, is sanctioned as hereunder with effect from 1st February 1928.—
